

# H2OK? Pesticides and Water Protection Free TRAINING for TRAINERS

Sponsored by the Crop Protection Association and the  
England Catchment Sensitive Farming Delivery Initiative\*

Following a survey of pesticide trainers in 2008, CPA identified that this additional support training would give trainers access to up to date information and advice on best practice and access to industry experts.

## Course Tutors

Patrick Goldsworthy, VI Manager and CPA Water Consultant  
Steve Higginbotham, Stewardship Limited

## Programme

09:45	Registration/Coffee	
10:00	Introductions, Objectives, Delegate Needs	
10:15	Water Protection: Regulatory Drivers & Future Trends	Patrick Goldsworthy
10:45	Local Information	Steve Higginbotham
11:15	Coffee Break	
11:30	Sources of pesticides in water	Patrick Goldsworthy
12:00	Solutions 1: Farmyards, Filling Areas and Disposal (inc. Lined Biobeds)	Patrick Goldsworthy
13:00	Lunch	
13:30	Solutions 2: Buffers, Soil Management, Drift and Nozzles	Steve Higginbotham
14:15	Slug Pellets	Steve Higginbotham
14:45	Accessing Training Resources	Patrick Goldsworthy
15:30	Event Close	

Although there is a structure and objective to the day; the most important element will be an informal approach and access to two "experts" who if they don't know the answer will do their best to find one.

NROSO and BASIS CPD Points will be applied for

\*Whilst the training is part-funded by the England Catchment Sensitive Farming Delivery Initiative (ECSFDI), the content does not necessarily reflect the agreed policy of Natural England, Environment Agency or Defra.

**Booking Form over leaf**
